

AFL-CIO Scholarship Program - From Nevada AFL-CIO

The Nevada State AFL-CIO has announced its annual scholarship program for Nevada students. The ARNOLD / JONES / EVANS 2016 SCHOLARSHIP FUND offers \$3,000 scholarships to three students entering college from union households.

You can also find more information about the scholarship: <http://www.nv.afcio.org>. Eligible students

will need to fill out the application and answer the following essay question:

During the last Legislative Session in 2015, Republicans controlled the State Senate, State Assembly, and the Governor's office. Tea Party Republicans put forward an extreme agenda to destroy labor unions and hurt Nevada working families. They attacked every issue important to labor and laws that protect the middle class: prevailing wage, the eight-hour work day, minimum wage, pensions, collective bargaining and injured worker's compensation.

In the end, Tea Party Republicans did not accomplish their goal because Democrats were able to leverage a compromise on new taxes that Governor Sandoval wanted to fund education. However, because there is nothing similar for Democrats to leverage in the next session, that type of compromise to protect working people's rights will not happen again in the 2017 Legislature.

What are the steps that labor unions should take to prevent these legislative attacks on Nevada's working people from happening again?
